Consiglio / Advice

I prodotti possono presentare piccole variazioni e imperfezioni dovute alla artigianalità della lavorazione del materiale e rendono ogni manufatto unico. Le finiture ottone e nichel sono volutamente al naturale e quindi soggette a cambiamenti e opacizzazioni che donano all'oggetto bellezza e patinatura del tempo. Qualora si voglia evitare queste alterazioni, su richiesta possiamo verniciare i manufatti, con finitura semilucida o opaca.

The products may show small variations and imperfections due to the craftsmanship of the work of the material and make unique each piece. The brass and nikel finishings are intentionally natural and so are subject to variations and opacifications that give the object beauty and patina of time. If you wish to avoid these modifications, it is possible to ask us for a semishiny or matte varnishing.
