BABOON

IT'S NOT JUST A WALL COVERING

BABOON

BABOON

Baboon jumps in between trends, he feels them, chooses them, picks them up from the past when relevant and most of all he tends to anticipate them. Baboon doesn't rest on what's out there already, he goes beyond. You could see the double O of his name like two little curious eyes observing the world to catch the essence, the forms, the colours, the soul of the best wallcoverings for each space.

Just like the artist's colour palette that keeps changing, we push the home boundaries. We create the great view within the office, we revive and give personality to every corner of the house. If you think walls are just walls, then you probably don't know Baboon yet.

Saltella fra le tendenze, le adocchia, le sceglie, le ripesca dal passato, le anticipa. Baboon non si accontenta mai del già visto, ma va sempre oltre. Si potrebbe guardare alle sue due lettere O del logo come a due occhi curiosi che osservano il mondo e lo filtrano catturandone l'essenza, le forme, il colore, l'anima, fino ad arrivare all'habitat più inaspettato e originale per ogni ambiente.

Come una tavolozza di stili e colori che si rinnovano di continuo, reinventiamo i confini della casa, creiamo l'ufficio con vista, diamo nuova vita e carattere a ogni ambiente personale o aziendale. Chi dice che le pareti sono solo pareti non conosce Baboon.

WE IMAGINE IT, WE DO IT LO IMMAGINIAMO, LO FACCIAMO

Just like the artist's colour palette that keeps changing, we push the home boundaries. We create the great view within the office, we revive and give personality to every corner of the house. If you think walls are just walls, then you probably don't know Baboon yet.

Anche l'idea migliore è niente senza la sua perfetta realizzazione. Baboon nasce da GiPrint, un'azienda leader assoluta nella progettazione, produzione e commercio di prodotti stampati per il B2B e il B2C nei mercati Fair, Retail, Industrial, Commercial e Home. La sua anima creativa quindi è sempre sostenuta dalla solidità della leadership industriale, che coniuga la capacità di sperimentare e innovare con la capacità di realizzare alla perfezione tutto ciò che promette, per qualità e forza tecnologica. Immaginate pure tutto quello che volete: a farlo ci pensiamo noi.

AN IDEA WHICH SUITS EVERY SITUATION UN'IDEA CHE LE CONTIENE TUTTE

Baboon wants to be original, smart, innovative, creative, yet in line with what the market is looking for. Baboon is not just a brand; it's personality and wants to be an idea incubator.

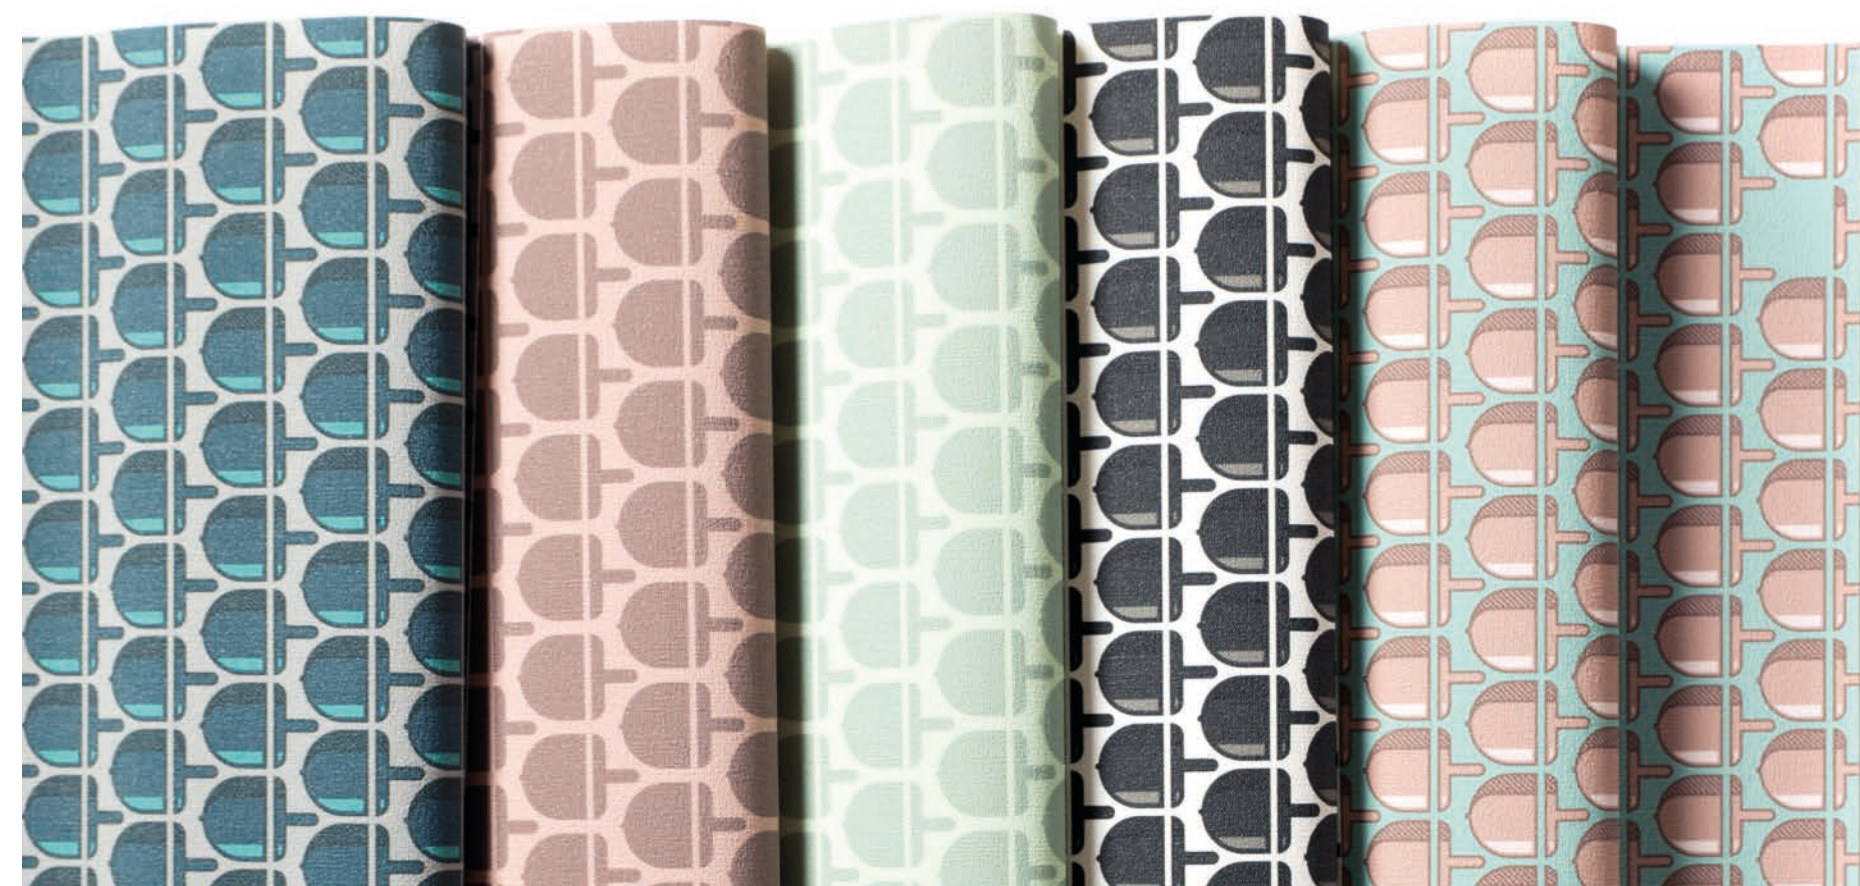

Baboon è un'idea che si vuole allontanare dalla classicità e andare a braccetto con l'innovazione, la sorpresa, la creatività, in linea con le esigenze evolutive e di cambiamento dei principali mercati. Baboon non è solo un marchio, è personalità, vuole essere un contenitore di idee. Anche di quelle che non esistono ancora.

Il direttore creativo di Baboon è Matteo Bianchi, fondatore e direttore creativo dell'omonimo studio londinese di interior design.

Il suo motto è "Listen, design and inspire.", ed è proprio questo che Matteo fa prima di appoggiare la punta della matita sulla carta.

Amante del papillon come il nostro Baboon e originario di Venezia, Matteo ha un occhio per i dettagli eccentrici ed una passione per il design audace e le soluzioni equilibrate.

Ha studiato all'Università del Chelsea College of Arts dove ora insegna. E la cosa più importante che insegna, è che il design è ancora tutto da disegnare.

DESIGNER

ANDREA STORCHI

Art is in his blood (his father is a well-known sci-fi illustrator) and manifests itself in his keen interest in graphic design.

He developed his skills as a freelance graphic designer in advertising, collaborating with leading agencies before encroaching on - and fusing with - the world of video-making and photography.

His creations display the distinctive characteristics of his personality and his passions: tattoos, travel, percussion, metal music and donuts.

Gaudy colours, contemporary lines and street style make his work immediately recognisable and capable of adding character and a sense of fun to a room.

L'arte scorre nelle sue vene (il padre è un riconosciuto disegnatore sci-fi) e si palesa nell'immediato interesse per la grafica.

Cresce come grafico pubblicitario freelance collaborando con rilevanti agenzie per poi invadere, e contaminare, il mondo del video-making e della fotografia.

Nella sua creatività si scorgono i tratti tipici della sua personalità e delle sue passioni: tattoo, viaggi, percussioni, musica metal, donuts.

Colori sgargianti, tratti contemporanei e street-style rendono le sue creazioni immediatamente riconoscibili e capaci di caratterizzare l'ambiente rendendolo divertente.

A RANGE OF CREATIVE PATTERNS, WHICH ANTICIPATE MARKET TRENDS WITH STYLES AND COLOURS THAT CAN BE COMBINED WITH THE MOST CONTEMPORARY AND AVANT-GARDE FURNISHINGS.

EACH COLLECTION IS PRESENTED TELLING NOT ONLY THE GRAPHICS AND COLOURS AVAILABLE BUT ALSO THE VALUES OF THE BRAND: WE HAVE CHOSEN SOME CHARACTERISTICS OF BABOON'S PERSONALITY TO DESCRIBE OUR STYLE.

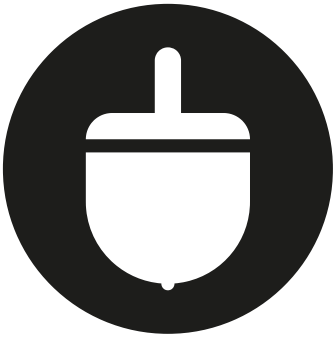

AND YOU, HOW DO YOU FEEL?

UNA GAMMA DI PATTERN CREATIVI, CHE ANTICIPANO LE TENDENZE DEL MERCATO CON STILI E COLORI CHE POTRANNO SPOSARSI CON GLI ARREDI PIÙ CONTEMPORANEI E ALL' AVANGUARDIA.

OGNI COLLEZIONE SI PRESENTA RACCONTANDO NON SOLO LA GRAFICA E I COLORI DISPONIBILI MA ANCHE I VALORI DEL BRAND: ABBIAMO INFATTI SCELTO ALCUNE CARATTERISTICHE DELLA BRAND PERSONALITY DI BABOON PER RACCONTARE IL NOSTRO STILE.

E TU, COME TI SENTI?

Traveller. From each trip, he brings back something that will inevitably enrich him. Daruma is a Japanese Talisman, which doesn't have any eyelids. Once you draw the first eyelid, you make your wish. When the wish comes true, you can draw the second one and keep your Daruma forever with you.

Viaggiatore. Da ogni viaggio, Baboon riporta qualcosa che inevitabilmente lo arricchirà. Daruma è un talismano giapponese, che non ha palpebre.
