Dicono che il mondo è di chi si alza presto.
Non è vero, il mondo è di chi è
felice di alzarsi.

They say the world belongs to those who wake up early.
It isn't true, the world belongs to those
whom are happy to wake up.

ART LAB

La nostra non è una semplice collezione di carte da parati, non è una classica gamma di rivestimenti, non è un campionario passivo di colori alla moda. Preferiamo pensare alle nostre creazioni come a strumenti di libera interpretazione, da utilizzare sia nelle dosi consigliate, che esagerandone la perfezione. Purché vi renda felici, ogni cosa è design: colore, materia, citazione, licenza poetica, rigore, visione. **Sentitevi liberi di scegliere, di cambiare. Questa è libertà di espressione.**

CRAZY PAPER vanta la collaborazione con numerosi artisti e designers di fama internazionale, uniti dalla passione per la creatività, per il colore, per la rappresentazione di pensieri e sentimenti. Le immagini selezionate per MOMENTI sono forti, dolci, toccanti, esplosive. Ogni grafica elaborata è pregiata, pensata non solo per l'ambiente che la circonda, ma per il cuore di chi la guarda.

Ours is not a simple collection of wallpapers, it is not a classic range of coverings, it is not a passive sample of fashionable colors. We prefer to think of our creations as tools of free interpretation, to be used both in the recommended doses, which exaggerate their perfection. As long as it makes you happy, everything is design: color, material, quotation, poetic license, rigor, vision. **Feel free to choose, to change. This is freedom of expression.**

CRAZY PAPER prides itself for the collaboration with numerous internationally renowned artists and designers, united by a passion for creativity, for color, for the representation of thoughts and feelings. The images selected for MOMENTS are strong, sweet, touching, explosive. Each elaborate graphic is valuable, designed not only for the environment that surrounds it, but for the heart of those who look at it.

I tessuti CRAZY PAPER sono realizzati con filati speciali di fibre di vetro molto sottili, ottenute in fusione a una temperatura di 1400°. Così, anche i tessuti mantengono le caratteristiche chimiche e fisiche del vetro. La qualità produttiva dei tessuti CRAZY PAPER è garantita dalle prestigiose certificazioni ottenute, dalla lunga esperienza di tessitura e filatura e dal ragguardevole quantitativo di materiale applicato in tutti i paesi europei, con indiscusso consenso e comprovato collaudo.

I tessuti CRAZY PAPER offrono anche la speciale alternativa del 100% poliestere con struttura a nido d'ape. La comunione tra fibra e tessitura offre proprietà fonoassorbenti di classe B.

La qualità dei tessuti CRAZY PAPER non va a scapito della convenienza: i suoi costi di applicazione e di manutenzione sono estremamente competitivi.

Il processo di lavorazione avviene nel massimo rispetto delle norme ambientali vigenti.

CRAZY PAPER fabrics are made of special yarns of very thin glass fibers, cast in a temperature of 1400 °. Thus, even the fabrics maintain the chemical and physical characteristics of the glass. The productive quality of CRAZY PAPER fabrics is guaranteed by the prestigious certifications obtained, by the long experience of weaving and spinning and by the considerable quantity of material applied in all European countries, with undisputed approval and proven testing.

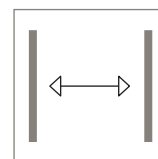

CRAZY PAPER fabrics also offer the special 100% polyester alternative with honeycomb structure. The communion between fiber and weaving offers class B sound-absorbing properties.

The quality of CRAZY PAPER fabrics does not come at the expense of convenience: its application and maintenance costs are extremely competitive.

The processing process takes place in full compliance with the environmental regulations in force.

RESINE RESINS

MOMENTI s.r.l. collabora in esclusiva con WAT® PROTECTION e consiglia l'uso delle sue resine con differenti finiture in relazione alla destinazione d'uso.

La Tecno Fiber + WAT® Protection technology richiede l'utilizzo di minori quantitativi di colla e di resina di protezione. Il rivestimento sottile, unico in commercio, è inferiore a 1,2 mm. Grazie al minimo spessore, è possibile applicare i teli decorati su superfici e angoli normalmente impossibili da rivestire e proteggere.

MOMENTIs.r.l.collaborates exclusively with WAT® PROTECTION and recommends the use of its resins with different finishes in relation to the intended use.

The Tecno Fiber + WAT® Protection technology requires the use of less glue and protective resin. Its thin coating, the only one on the market, is less than 1,2 mm thick. Thanks to this feature it is possible to apply the decorated sheets on surfaces and corners normally impossible to cover and protect.

POSA APPLICATION

Le superfici devono essere ben asciutte, prive di polvere e di ogni residuo di vecchie tappezzerie, possibilmente sgrassate.

Si consiglia di applicare una mano di fissativo su superfici in gesso o particolarmente assorbenti. In caso di piastrellatura, è consigliabile diamantare la superficie prima di applicare il primer.

Accostare i teli, assicurandosi della continuità del disegno, poi premere leggermente con la spatola di plastica dal centro verso i bordi, eliminando eventuali bolle d'aria e garantendo una perfetta aderenza.

Rimuovere immediatamente eventuali eccedenze di colla con una spugna umida.

Quando il tessuto è ben asciutto, rifilare con il taglierino.

Le istruzioni accurate per il montaggio sono disponibili nel manuale tecnico CRAZY PAPER.

Si consiglia di fare sempre attenzione agli schemi di montaggio forniti con ogni ordine e di consultare il manuale tecnico o il listino prezzi per eventuali informazioni sulle migliori finiture.

The surfaces must be dry, free of dust and any residue of old tapestries, possibly degreased.

It is advisable to apply a coat of fixative on gypsum or particularly absorbent surfaces. In case of already existing tiles, it is advisable to diamond sand the surface before applying the primer.

Approach the sheets, ensuring the continuity of the design, then press lightly with the plastic spatula from the center towards the edges, eliminating any air bubbles and ensuring a perfect fit.

Immediately remove any eventual excess glue with a damp sponge.

When the fabric is dry, trim with the cutter.

Accurate assembly instructions are available on the CRAZY PAPER technical manual.

It is advisable to always pay attention to the assembly sheets supplied with each order and to consult the technical manual or the price list for any information on the best finishes.

MOMENTI è un laboratorio artistico di design, che ha il fine di personalizzare spazi d'arredo attraverso soluzioni emozionanti e di grande fascino.

Nel 2005, Alexander e Matteo Bagnai iniziano un percorso fra imprenditorialità e inventiva, dedicato alla casa e ai suoi elementi. La passione per la creatività si esprime sin da subito e il risultato, ancora oggi, è un'alchimia suggestiva che caratterizza oggetti unici.

MOMENTI riveste qualsiasi superficie, che sia un pavimento, una parete o un oggetto d'arredo. Il processo lavorativo permette di personalizzare ogni tipo di rivestimento partendo da un'idea, un'intuizione, un semplice disegno fornito dal cliente o da un'immagine presente sui nostri cataloghi.

Il MOMENTI Lab, nostro ufficio tecnico e creativo, interagisce direttamente con designer, architetti e professionisti del settore, per trovare soluzioni idonee a ogni tipo di ambiente. In questo modo, ogni angolo

Alexander & Matteo Bagnai

L'esigenza di creare e di mettersi in gioco sono le carte vincenti di MOMENTI, un nuovo modo di pensare, di vedere e di concepire l'ambiente per renderlo unico e personale. Insieme al nostro team abbiamo dato vita, materia e colore a superfici lavorate ad arte.

Le nostre collezioni nascono da continue prove di materiali, ricerche di finitura, di resistenza, di rispetto per l'ambiente e di continuo entusiasmo.

L'italianità dei nostri prodotti è sempre sinonimo di grande attenzione nei confronti di ogni processo produttivo, dalla scelta dei materiali e loro qualità, alla cura dei dettagli, con l'aiuto di grande esperienza, conoscenza e straordinaria tecnica.

Tutto viene eseguito rigorosamente a mano. Ogni prodotto, infatti, attraversa tutte le fasi di realizzazione - dall'ideazione alla produzione sul nostro territorio - a tenace salvaguardia di un comparto manifatturiero caratterizzato da creatività e abilità.

Mantenere questi standard di qualità, significa per noi offrire ai nostri clienti collezioni uniche, scelte esclusive e soluzioni innovative e versatili.

È per questo che amiamo definirci i "Sarti del Design Italiano".

Nascono così stampe artistiche, elementi d'arredo, rivestimenti dalla forte impronta artistica e vestiti di immagini emozionanti. Il risultato finale è arte applicata al design quotidiano.

The need to create and get involved are the winning cards of MOMENTI, a new way of thinking, of seeing and conceiving the environment to make it unique and personal. Together with our team, we have given life, material and color to surfaces that are artfully worked.

Our collections are born from continuous tests of materials, research of finishing, resistance, respect for the environment and continuous enthusiasm.

The Italian nature of our products is always synonymous with great attention to every production process, from the choice of materials and their quality, to the attention to detail, with the help of great experience, knowledge and extraordinary technique.

Everything is done strictly by hand. In fact, each product goes through all the stages of production - from conception to production on our territory - to a tenacious safeguard of a manufacturing sector characterized by creativity and skill.

Maintaining these quality standards means for us to offer our customers unique collections, exclusive choices and innovative and versatile solutions.

This is why we love to call ourselves the "Tailors of Italian Design".

This is how artistic prints, furnishing elements, coverings with a strong artistic imprint and dresses of moving images are born. The end result is art applied to everyday design.
