**Mastering the
monochromatic palette
enables us to create timeless
and enduring designs.
Distinct and beautiful
– simplicity with an attitude.**

SCULPTURAL MINIMALISM

**Kristina Dam Studio defines sculptural minimalism.
The designs have a distinct Scandinavian and architectural
expression, that you will easily recognize. With clean lines and
beautiful materials.**

– every piece is made from strong materials ensuring longevity and durability.
Sophisticated, aesthetically beautiful and easy to fit into any space or home adding
an unique and bold statement to the interior.

Kristina Dam Studio

Founded by architect and graphic designer Kristina Dam and based in Copenhagen,
Denmark. All products are made from carefully selected materials and produced
within the European Union.

Furniture

/Storage

GRID SIDEBOARD *BLACK*

8

Grid Sideboard

The Grid Sideboard is made of black powder coated steel. The sides and top plate are made of perforated steel. The Grid Sideboard is well suited for storing books, objects or dishes and the see-through aspect brings forth a light appearance. An elegant and large side board with a transparent design. Use it to display your dearest accessories or as a remarkable spacious storage unit for your office space.

9

Grid Sideboard
Photo from the home of Kristina Dam

GRID CABINET

BLACK

The **Grid Cabinet** is made of perforated steel and has a lovely black marble plate on top. An elegant cabinet with a transparent design. Use it for exhibiting accessories or as a remarkable storage unit.

S/S
2019

BAUHAUS TROLLEY *BLACK / WHITE*

14

Bauhaus Trolley is inspired by the influential German Bauhaus art school. The design of the serving trolley is light and graphical. Use it as a bar trolley, as a movable serving table or to exhibit your indoor herb garden or plants. The Bauhaus Trolley emphasises once more that simple design is beautiful. Available in black and white powder coated steel.

Curved Side Table

Photo from the home of Kristina Dam

The **Curved Side Table** is a beautiful and timeless small table that combines a sculptural and handcrafted aesthetic. Made of slick black powder-coated steel this small side table is also able to store your magazines within its curved base.

MIRROR TABLE *SMALL / LARGE*

Get the small
table with
black or grey
marble top

Mirror Table - Large is an extraordinary coffee table. Inspired by the pedestals you'll find in art galleries it has a direct and striking visual power that attracts the attention on everyone.

The mirror surfaces reflects the surroundings and extend the light whilst creating a contemporary expression.

Mirror Table – Large

Photo by @ludovica_canzutti

Mirror Table – Small

A pedestal of beauty inspired by the platforms found at art galleries and museums around the world. The stunning black marble top provides a spelling contrast to the mirror framework of the table. A contemporary table suited for a confident and modern interior.

CUBE TABLE

*BLACK /
GREY /
WHITE
MARBLE*

32

Cube Table – customize your table. Combine a solid oak or black painted oak frame with three different kind of marble tops: black, white or grey. Use it as a coffee - or bedside table.

No-nonsense design and an everlasting classic within our collection.

33

36

Cube Table

37

**STOOL
TABLE
XL TABLE**
*BLACK /
OAK*

Stool

An elegant and thoroughly designed piece of flat pack furniture. The Stool is stable, easily assembled and most of all functional. Use it as a side table or as a chair or ottoman. Every home is in need of a stool and with this handy piece of furniture you will furthermore have something beautiful to look at.

Table

Use it as a side table or to display your botanical collection or art pieces. Flatpacked and assembled without any use of tools. Available in oak or black painted hardwood.

XL Table

Based on the same design as the Stool and Table, the XL version is perfectly suitable as a coffee table. Even though it is big it is easily assembled without any tools and comes flatpacked. Available in oak or black painted hardwood.

Stool & XL Table
Photo by @brutalist_rum

Seating Cushion – a high quality cushion made of fine grey-brown leather. It is especially designed for the Stool by Kristina Dam Studio and provides you with a perfect seating comfort when resting on the Stool.

CURVED POUF *LEATHER*

Curved Pouf

Photo by @the.aesthetic.ey

Curved Pouf

Poufs are in themselves a graphic element built up around simple principles. The Curved Pouf is made of exclusive aniline leather and the rounded shape of the pouf and its distinct design triggers our fascination of geometry. A state of the art Pouf.

A modern and geometric
take on a Pouf.

Furniture

/Shelve & Coat Stand

GRID WALL SHELVE *WHITE / BLACK*

Grid Wall Shelf is simple and classic. Elegantly displaying anything from shoes, books to kitchenware. Available in black and white powder-coated steel.

GRID COAT HANGER

WHITE / BLACK

62

Grid Coat Hanger

The simplest and easiest way to store your coats and jackets. This elementary and archetypal design is both, a beauty and a space saver in your hallway. Place your hat on the perforated steel top or display your favourite art piece. The Grid Wall Hanger will elegantly fit in every hallway and is available in black and white powder-coated steel.

63

A simple and practical coat hanger for your entrance or bathroom

64

65

Furniture

/ Daybed & Bench

S/S
2019

S/S
2019

72

73

The **Minimal Daybed** combines Japanese and Scandinavian minimal design. The soft foam mattress is available in soft grey-brown aniline leather. A stylish piece of furniture made of solid oak – a timeless classic.

Add the minimal pillow to finalize the look.

Minimal Pillow provides the perfect rest for you when lying on the daybed. The pillow is made of foam and covered in grey-brown aniline leather.

Minimal Bench is like the daybed – minimal and elegant. The soft foam mattress is available in a soft grey-brown aniline leather. The bench is made of solid oak and spacious enough for two.

S/S

RECTANGLE LAMP *BRASS / STEEL*

80

Rectangle Lamp with LED lights on all four inner sides of the lamps' brass rectangle, you'll have plenty of light wherever you choose to place it. You can put it on a table, in the windowsill or hang it on the wall. Simple and elegant – adding a graphic expression to the interior.

81

S/S
2019

CYLINDER LAMP *BRASS / STEEL*

84

The **Cylinder Lamp** uses LED light and has a cool yet calm look combining the roughness of the blackened steel base with the warmth of the solid brass rectangle.

S/S
2019

DOT LAMP *BRASS / STEEL*

85

Dot Lamp is centered around a dark sphere of blackened steel that keeps the lamp firmly on the table. LED lights provide a warm and pleasant light that shines from the inside of the solid brass rectangle.

Use the Dot Lamp as a ambience light on your desk or as a characteristic and sculptural lamp in your living room or hallway.

Accessories

S/S
2019

MOBILE MIRROR

STAINLESS STEEL / BRASS

88

Mobile Mirror – is a functional and graceful mirror that will blend in perfectly in your home environment. Still the Mobile Mirror is also a piece of interior art as much as it is a simple and useful mirror. It is made of solid brass and shining steel and the crystal clear mirror is on both sides of the mobile. Suspend it from the ceiling using the string and enjoy how the mirrors on both sides reflects the light and the surroundings.

S/S
2019

89

ROTATING MIRROR *STAINLESS STEEL / BLACK*

90

Rotating Mirror

This elegant wall mirror has a breathtaking appearance. The shiny steel frame of this elegant mirror will fit perfectly in your living room or bathroom.

91

Rotating Mirror

Photo by @rubenhughes

The **Rotating Mirror** will fit perfectly in your entrance or bathroom. Rotate the large mirror and modify the perspective. Available in black powder-coated and stainless steel.

S/S
2019

ARCHI SCULPTURE

BROWN / BEIGE MARBLE

This massive sculpture is formed by four gorgeous intertwining marble plates. You might regard it as a microcosm of a large building design by Bauhaus but luckily this micro-building will fit your home decor. Place the sculpture in your windowsill or on the livingroom floor – and choose the angle that you just like it the most. The Architecture Sculpture consists of 2 different marble colours, it comes unassembled and ships flatpacked.

2019

BOOK KEEPER

WHITE / BLACK

110

S/S
2019

The **Book Keeper** is a simple and sculptural way to arrange and put your books in order. Use the Book Keeper in your living room, on your bedside table, in the kitchen or at your office desk.

The Book Keeper is available in black and white powder-coated steel.

111

BOWLS *TERRACOTTA WITH GREY ENGOBE*

112

**Bowls - Small, Medium,
Large, XL**

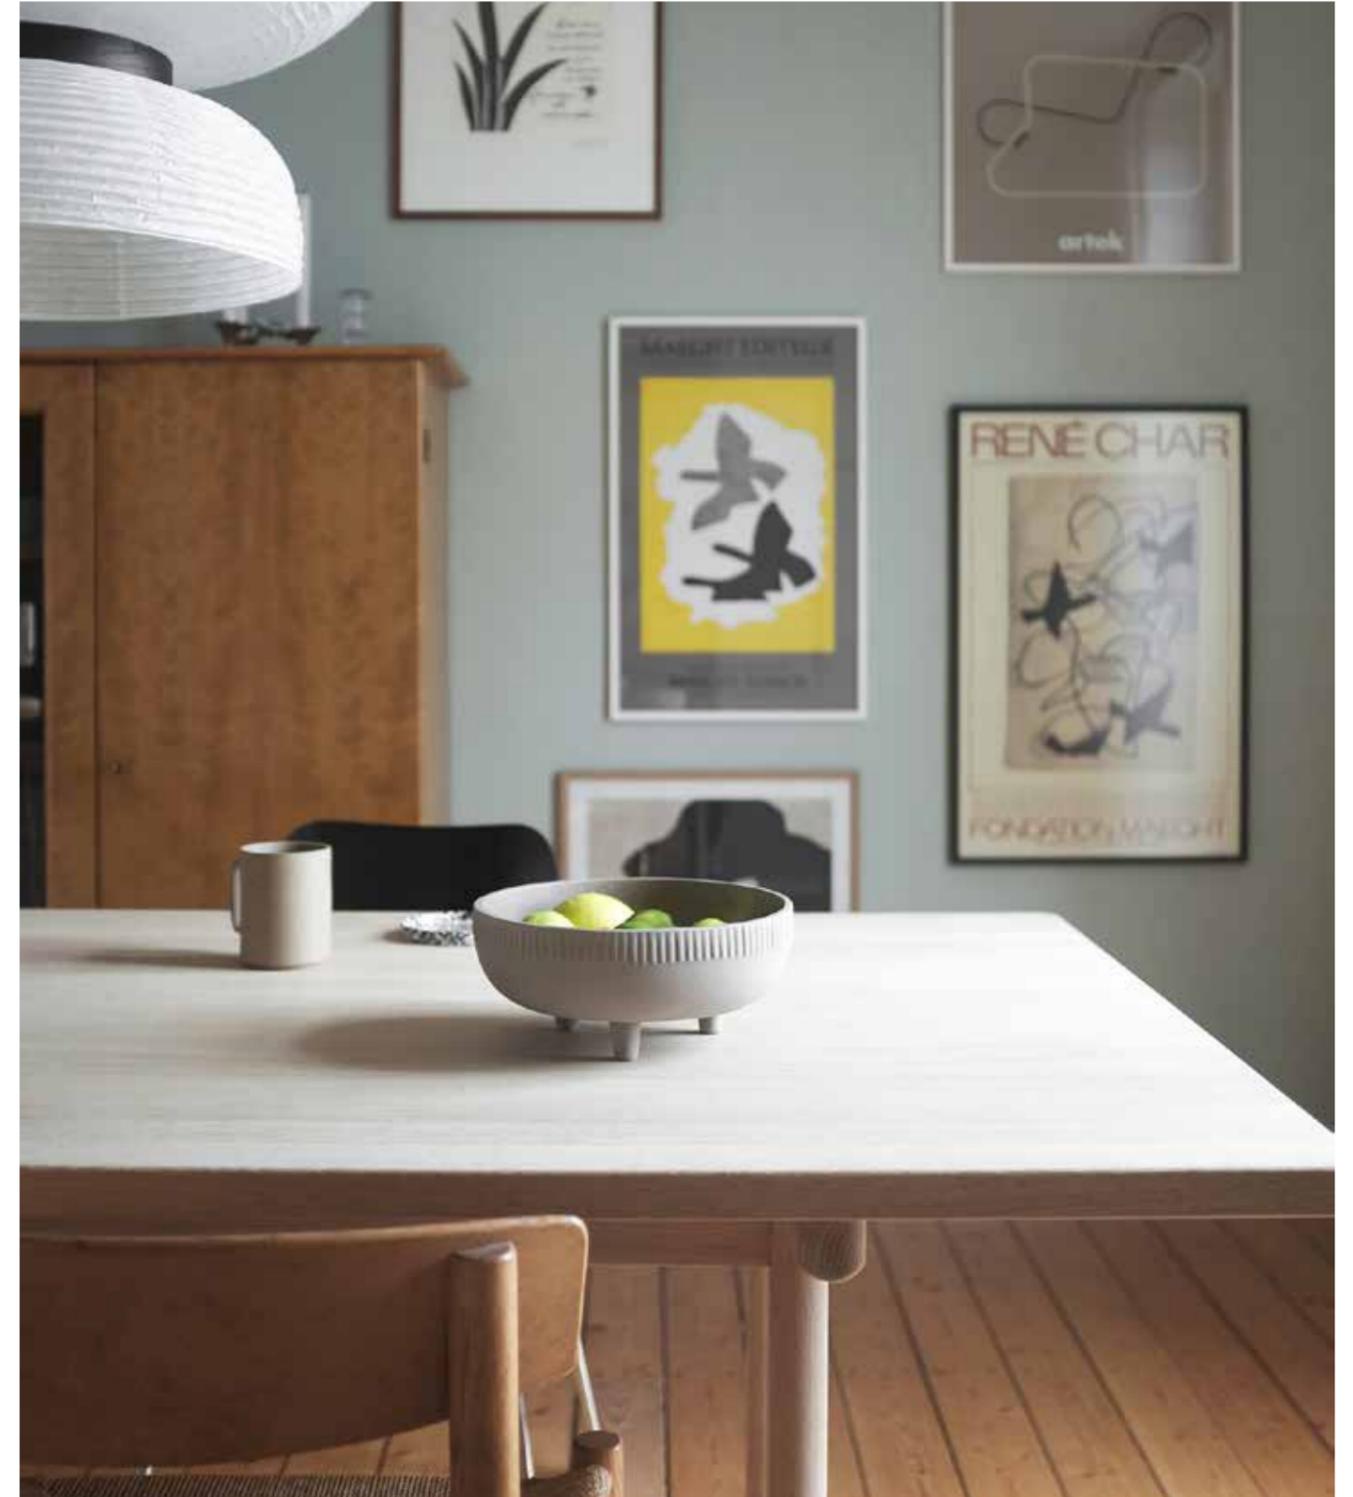

Standing on three legs these
bowls make a distinctive
appearance in any interior.

Use the vessels to display fruit,
accessories or plants. Made
from engobe colored
terracotta and glazed
inside to resist water.
Elevate your home interior
using these new classic bowls
available in four sizes.

125

DOUBLEMOON SCULPTURE

MARBLE / MIRROR

126

Double Moon Sculpture

Two different pieces of mirror fixed on a marble pedestal. This elegant and functional piece of art will no doubt add character and an distinctive exclusivity to any given space.

127

MARBLE CIRCLES

128

129

Marble Circles

Two unbroken circles of beautiful black marble intertwined for eternity. A very popular gift for weddings and engagements this beautiful sculpture is a token of love and relations. The circles are flexible and you can arrange them in many ways.

S/S
2019

**DECORATION
CIRCLE**
*BRASS /
STAINLESS STEEL*

130

S/S
2019

131

Decoration Circle is a great graceful object perfectly suited for ornamentation or displaying your flower decoration. Geometric, uncomplicated and artistic even without flowers – made of solid brass and stainless steel.

STAIR SCULPTURE *CONCRETE*

S/S
2019

135

The **Stair sculpture** is made of solid concrete. A sculpture with an architectural and rough expression. The concrete brings that urban feel into your living room.

The object is molded by hand and therefore variations in the surface structure and edges might occur.

DESK SCULPTURE

136

137

Desk Sculptures
Photo by @carlasofiemolge

Desk sculptures is a set of four small accessories for you to rearrange and reposition in your home. A source of continual inspiration composed of a circular paperweight in stoneware, a triangle bookend in marble, a wooden cone and an arc in brass.

You can use the items alone or set them up as a small collection of sculptures and materials. They are beautiful, simple and even functional. Use them as your weekday desk meditation or use them to create an ever changing stilleben in your livingroom.

HALF MOON MIRROR *MIRROR / OAK & MARBLE*

S/S
2019

142

S/S
2019

143

Half Moon Mirror is available with an marble or solid oak base. It's light and simple. A sculpture or a modern take on a make-up mirror? For you to decide.

S/S
2019

MIRROR SCULPTURE

BRASS / MIRROR

144

S/S
2019

Mirror Sculpture is made of solid brass and will become even more beautiful over time.

145

It's both a make-up mirror and a piece of decoration, that will reflect the environment and light where you place it.

SQUARE CANDLESTICKS

*BRASS /
MARBLE*

148

Square Candlesticks

Placed together, in a pattern or one by one the Square Candlesticks are fashionable and basic.

They are made from black marble and solid brass. Their different heights gives them an architectural expression — as the New York skyline or a rugged landscape.

149

S/S
2019

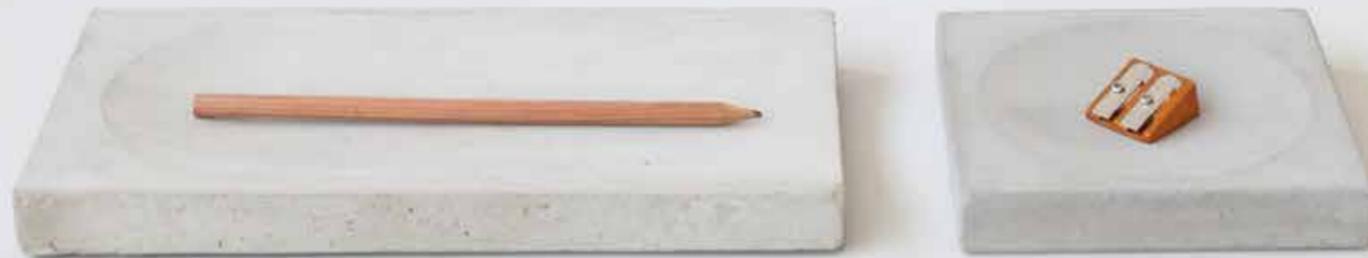

DASH CANDLESTICK *BLACK STEEL*

150

Dash Candlestick is inspired by the German art school Bauhaus. It is made of powder coated steel and adds a graphic, changeable element to your table, living room or windowsill.

CONCRETE TRAYS *CONCRETE*

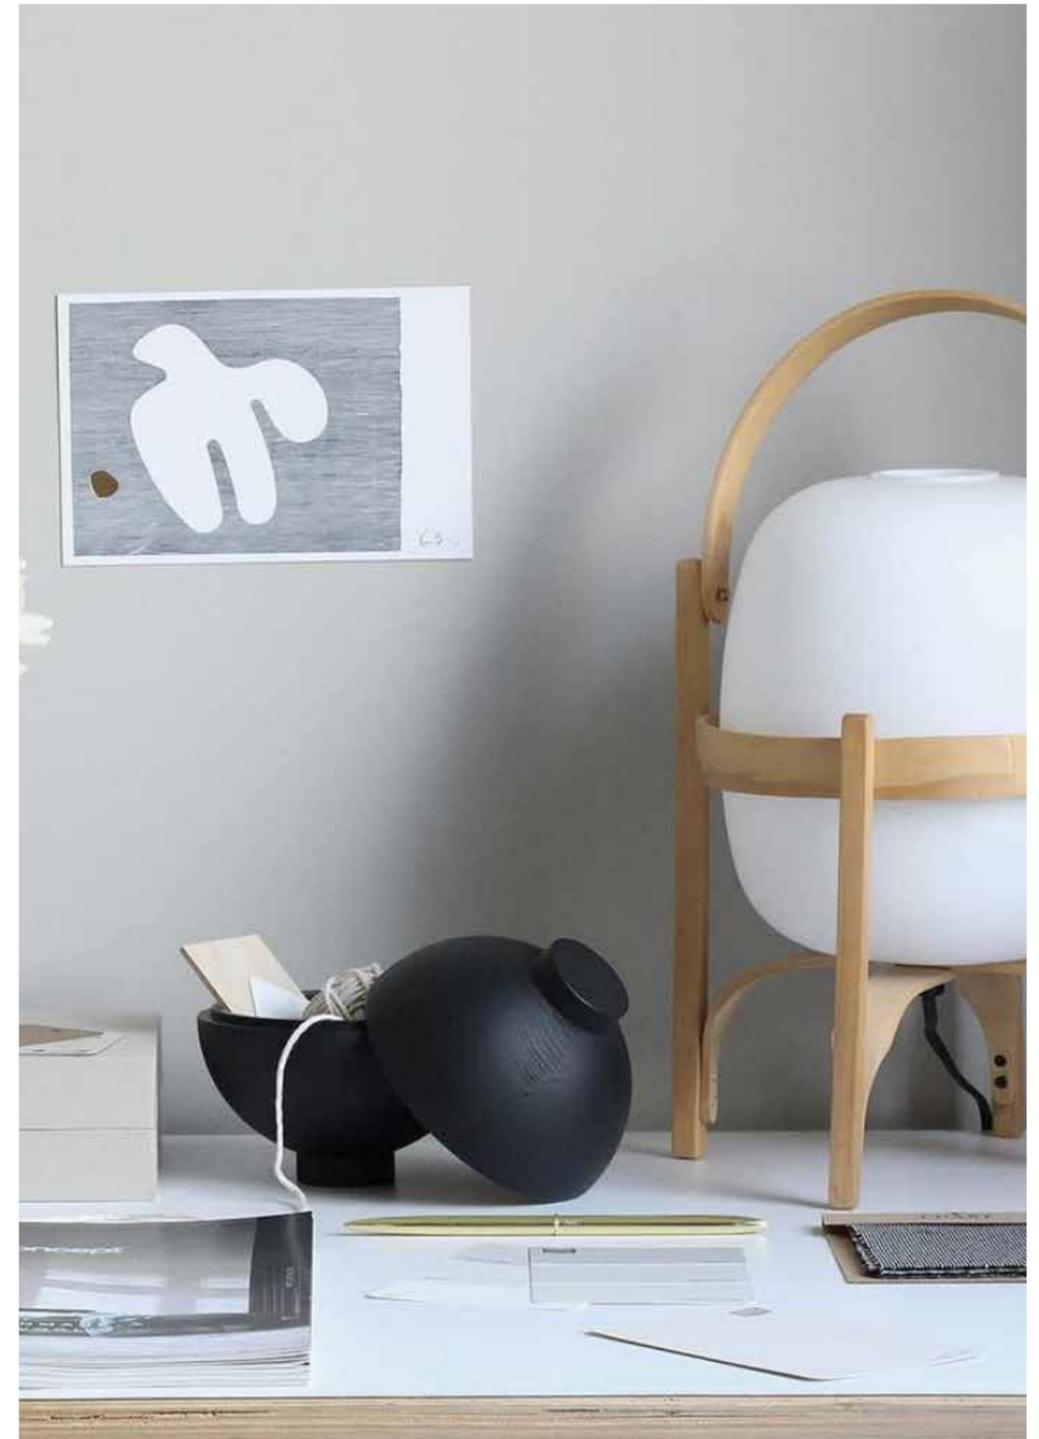

Concrete Trays is a set of geometric trays perfect to display your jewellery or fruit with grace. The trays has that urban feeling – being nice but not polished.

WOODEN SPHERE & WOODEN GALAXY OAK / BLACK
